

**Material Safety Data Sheet**

May be used to comply with OSHA's hazard communication standards 29 CFR 1910-1200

U.S. Department of Labor  
Occupational Safety and Health Administration  
(Non Mandatory form)  
Form Approved  
QMB No 1218-0072

**IDENTITY ENVIRO-TEK THROTTLE BODY INTAKE CLEANER**

**SECTION-1**

**Manufacture's name**

**Emergency telephone number**

**ENVIRO-TEK Inc.**

(864) 641-5478

**Address (Number, street, City, State, Zip Code)**

**Telephone number for information**

907 Vanessa Dr Boiling Springs, SC 29316

(864) 641-5478

**Prepared** January 01, 2009

**SECTION 11- Hazardous Ingredients Identity Information**

**Hazardous commodities (specific chemical identity, common names)**

**CAS#**

Petroleum Distillate	CA. Prop 65 can cause birth defects.	TOLUOL	106-88-3
Petroleum Distillate			64-17-5
Aromatic Solvent			67-64-1
Butane (Propellant)			106-97-8

Extremely flammable. UN # 1950 aerosol dispenser with capacity 1000ml or less. Class 9.

Packaging. Group 11.

**SECTION--111- Physical/Chemical characteristics (HIGHLY FLAMMABLE)**

**Boiling Point:** <0.0°c **Specific gravity (H20=1)**

**Solubility in water:** Slightly soluble in water

**Appearance and color:** Clear aromatic liquid with a solvent smell.

**SECTION--1IV- Fire and Explosion Hazard data**

**Flash point:** -18° to-23°c **Flammable limits:** > 0°c

**Extinguishing media:** Dry chemical, chemical foam or carbon dioxide.

**Special fire fighting procedures:** Spraying with water may be ineffective. Use water to cool heat exposed containers.

**Unusual fire and extinguishing hazards:** Aerosols can explode with heat. Keep containers cool.

**SECTION--V- Reactivity Data**

---

**Reactive:** stable X Keep in a cool place. Store away from heat sources.

**Incompatibility** None known.

**Hazardous Decomposition or Byproducts** None known.

**Hazardous Polymerization** Will not occur.

---

**SECTION--V1- Health Hazard Data**

---

**Points of entry:** **Inhalation** (Avoid) **Skin** (Avoid) **Ingestion** (Avoid)

**Known Hazards (Acute and chronic)** Can cause headaches, nausea, dizziness, euphoria..

---

**Carcinogenicty** CA PROP 65 TOLUOL can cause birth defects

**Signs and Symptoms of Exposure** Skin or eye irritation, headaches, nausea.

**Clinical conditions Aggravated by exposure** Irritation of skin or eyes.

**Emergency and First Aid procedure** **Skin** Remove clothing and wash with water and soap.

**Breathing** Remove to well ventilated area.

**Eyes** Flush with water.

**Ingestion.** Summon an Physician.

---

**SECTION--V11- Precautions for safe handling and use.**

---

**Steps to be taken in case material is released or spilled.** Keep away from any flame or heat source. Extremely flammable.

**Waste Disposal Method** Dispose of as with any aerosol container.

**Precautions to be taken in managing and storing** Keep in a cool well ventilated area away from heat sources. NO smoking.

**Other Precautions** Do not puncture or incinerate the container.

---

**SECTION--V111- Control Measures**

---

**Respiratory Protection (Specify type)** Use breathing apparatus if working with exposed product in an enclosed area.

**Ventilation** Local exhaust Keep well ventilated.

Mechanical (General) Keep fumes away from any heat source.

**Protective Gloves** Only for prolonged contact. **Eye Protection** Wear protective glasses.

**Protective Clothing or Equipment** None required. Avoid skin contact.

**Health/Hygienic Practices** Product well packed in containers. There are no problems unless the container is punctured.
